Baton Rouge, Louisiana

May 2024

Cumulative GPA: 3.1

Marriotts Ridge High School

Marriottsville, Maryland

May 2020

Cumulative GPA: 4.27; SAT: 1460

PROFESSIONAL & LEADERSHIP EXPERIENCE

Arena Offshore

Production Engineering Intern

The Woodlands, Texas

May 2023 – August 2023

- Traveled Offshore on three occasions visiting four platforms and one drilling rig and observing the production and drilling operations; this gave me valuable insights into the offshore day-to-day operations, allowing for direct communication with operators and company men, thus helping me to improve my knowledge of the intricacies of the offshore industry
- Conducted in-depth analysis of production data and tracked compressor downtime to determine the effectiveness of the newly implemented compressor valves; this evaluation encompassed over 40 active compressors, providing valuable insights into system performance and optimization
- Collaborated closely with all the production engineers to gain insights into their respective experiences and challenges; notably, some engineers managed over 10 platforms independently, allowing for a comprehensive understanding of diverse operational scenarios

Infinity Math Tutoring

President and CEO

Sykesville, Maryland

2016 – 2024

- Proficiently facilitated and managed appointment scheduling between clients and my team, ensuring efficient utilization of time resources
- Led recruitment and training of new tutors, aligning their instructional approaches with proven methodologies, resulting in enhanced client satisfaction and retention rates
- Marketed my company by doing both advertising campaigns and utilizing word-of-mouth recommendations from previous clients in or to get a strong client base
- Delivered personalized and impactful mathematics instruction to clients, tailoring the learning experience to meet their specific needs in various math subjects and SAT preparation, aimed at optimizing their academic performance

Fairhaven Retirement Community

Utility Worker

Sykesville, Maryland

May 2021 – August 2021

- Provided comprehensive on-the-job training and guidance to new hires, ensuring adherence to daily work expectations
- Maintained a consistently clean kitchen environment, and willingly offered support as a sous chef, when necessary, after all of my duties had been finished
